CROCHET WITH COTTONS

In this book we offer designs to be crocheted in cotton — for your home, yourself, the family — and for gifts to be presented to friends when you want to give something that will be treasured.

Of course you will want the very best of cotton threads in making things for your home, and for gifts—so be sure you use one of the famous LILY threads. It will really be a joy to crochet with either of the threads specified in this booklet—DAISY Mercerized Crochet Cotton—or SKYTONE Mercerized Crochet Cotton. So strong—yet so smooth and easy to work with.

BLOCKING DIRECTIONS

Bedspreads can be blocked after completion, or blocks can be pressed separately, then sewed together afterwards. For the latter method, cut a true cardboard pattern about an inch larger than block. Mark around this on tissue paper or muslin. Stretch and pin block right-side-down on this pattern on ironing board and steam thru a wet cloth with a hot iron, then press thru a dry cloth until perfectly dry. Where there are popcorn stitches or other raised stitches, pad ironing board with a turkish towel. If bedspread is blocked after completion, stretch and pin it down as a whole or in sections on a well padded flat surface. Be sure to pin out all picots, loops, scallops, etc., around outside edges. Steam and press in same way. When perfectly dry, remove pins.

Lily's Sewing Thread Is A Favorite With Women Who Do Their Own Sewing

Every spool of LILY Thread will give sewing satisfaction. The finest quality of thread for both hand and machine sewing. An especially strong, smooth thread that women find does not knot or break when put to hard use. Made in black or white—and all popular colors and sizes.

CROCHET STITCHES . . . AND HOW TO MAKE THEM

CHAIN STITCH (ch)—Make a loop on hook, * thread over hook, as illustrated, and draw thru loop already on hook. Repeat from * for desired length.

SLIP STITCH (sl st)—Insert hook in stitch, thread over hook and draw thru chain and loop on hook.

SINGLE CROCHET (sc)—Make a chain the desired length, insert hook in 2d chain from hook, or under both loops of a stitch on a row below, catch thread and pull thru, thread over and draw thru two loops on hook. Chain 1 to turn at end of row.

HALF DOUBLE CROCHET (hdc)—Make a chain desired length. turn, skip last 2 chain stitches, * thread over, insert hook in next stitch of chain, catch thread and pull thru, thread over and draw thru all 3 loops on hook at once. Repeat from * in each stitch on chain or in a stitch of preceding row. Chain 2 to begin a new row after turning work.

DOUBLE CROCHET (dc)—Make a chain desired length, thread over, insert hook in 4th chain from hook, catch thread and pull thru, (thread over and draw thru 2 loops) twice. * Thread over, insert hook in next stitch, catch thread and pull thru, (thread over and draw thru 2 loops) twice. Repeat from * to end of row. Ch 3 to turn.

Crochet Stitches — Not Illustrated

TREBLE (tr)—Thread over twice and work off in twos as in dc.

DOUBLE TREBLE (dtr)—Thread over 3 times and work off in twos.

TRIPLE TREBLE (tr tr)—Thread over 4 times and work off in twos.

LONG TREBLE (long tr)—Thread over specified number of times and work off in twos.

PICOT (p)—A Picot is made on a chain by working a sc in the specified st from hook, taking up 2 loops of ch st—the left-hand loop and the one back loop. A Picot is made following a sc, dc, tr, etc., by making the specified number of ch sts then a sl st in side-top of st preceding chain.

PICOT-LOOP (p-loop)—This consists of a chain loop with one or more picots on it.

CLUSTER—This consists of 2 or more dc, tr, dtr, or tr tr gathered together at top into a tight group, as follows: Hold the last loop of each st on hook, then thread over and draw thru all loops on hook at once.

Stitches can be made thru either both loops of stitches of previous row or thru the back loops only. If not specified, take up both loops.

The term "fasten off" is used whenever the thread is to be cut 6 or 7 inches from the work, slipped thru the loop on hook, pulled tight, threaded to a sewing needle and fastened securely on wrong side of work.

SKIP (sk).

After a piece of crochet is finished, stretch and pin it right-side-down on a padded ironing board and steam with a wet cloth and hot iron. Then press thru a dry cloth until thoroughly dry.

TO INCREASE IN CROCHET—Make 2 stitches in one. Always increase in 2nd stitch from edges.

TO DECREASE IN CROCHET—Before working off last loops, insert hook in next stitch and work off loops of both stitches together.
